Sir,

Subject: Increase of pay to the ~~Clerk~~ Stores-keeper & Clerk of the Bitumen Emulsion Plant, Bangalore.

Fly I

I have the honour to invite your kind reference to Government Order No. 1311-12 I&C. 666-41-4 dated 15th August 1942, sanctioning the enhancement of pay to the said Store-keeper to Rs. 40/- p.m. with effect from 1st July 1942. The work of the Plant has considerably increased since then and the production and issues has risen from 77,000 gallons in 1942-43 to more than 1,00,000 gallons during 1943-44. The stock accounts and other correspondence which is on the increase has to be carefully dealt with by this senior official and it is very necessary that his pay should be raised consistent with the increased work.

During the year 1944-45, the production is all the more ? greater in view of the fact that Government of India have released 1000 tons of spramex and consequently increased correspondence with the department s to whom the emulsion has to be supplied. Further, the Hindustan Aircraft, Ltd., also have been supplying spramex for conversion into emulsion and the accounts relating thereto add to the existing work.

In view of the above, I recommend that the pay of the Store Keeper may be raised to Rs. 50/- per mensem, with effect from 1st
